

Dear Patient,

Welcome to Overlake Hospital Medical Center Women's Continence Clinic. Services are being provided to you today at the Overlake Specialty Clinic location at Suite 101 of the 1120 112th Avenue NE location in Bellevue, WA.

Please note that your services will be billed out of Dr. Elizabeth Miller's home office, Bellevue Urology Associates, Inc. which is located in the Overlake Medical Tower at 1135 116th Ave NE STE 620, Bellevue, WA. Further appointments, or preparations for surgeries may be processed from this primary location. Requests for prescriptions should be directed to Dr. Miller's home location, as will appointments for further testing, or complex studies.

If you have questions about prescriptions, or your ongoing treatment, feel free to call Dr Miller's office directly and ask for Dr Miller or her Medical Assistant, Carol at (425)454-8016.

Questions about appointments scheduled at the Women's Continence Clinic can be addressed by calling 425-467-3957. Please note that the Clinic Coordinator at the Women's Specialty Clinic works between two clinic locations and may need 24 hours to return your call. We apologize for this inconvenience, and will contact you as quickly as possible regarding the scheduling of appointments.

Thank you for your patience and your interest in Dr. Miller and the Women's Continence Clinic. We appreciate your business and support you wholeheartedly in managing your overall health and wellness.
